21 Days

Southern shores are waiting
In this February chill
My heart needs time for breaking
I've got 21 days to kill
I've got 21 days to kill

I try to shed these feelings
While I think about her still
The pain is slowly peeling
I've got 21 days to kill
It will be 21 days of hell

When I get there
I will breathe
My heart will ask her
Will you please leave
Will you please leave

Southern shores are waiting
In this February chill
My heart needs time for breaking
I've got 21 days to kill
I've got 21 days to kill
I've got 21 days to kill
I've got 21 days to kill
I've got 21 days
I've got 21 days
