Song lyrics in PDF format for print / download

When My Dad Was 40

When my dad was 40 he was napping on the couch
When my dad was 40 I remember laughing out loud
When my dad was 40 he was worried bout the bills
I remember thinking he was way over the hill

My own middle age is getting nearer
I still see a kid when I look in the mirror

When my dad was 40 this smart ass knew it all
When my dad was 40 he was starting to go bald
When my dad was 40 his belly started stretching out
I thought it was hysterical his big toe flared up with gout

My own middle age is getting nearer
I still see a kid when I look in the mirror

Sandals, black sox
My favorite gitch got a hole in the crotch
Stay home, don't walk
After work I'm gonna pour a double scotch
I'll doze allot
Another 40 years and I'll probably drop

Can't believe I'm 40 I'm napping on the couch
Can't believe I'm 40 my kids are laughing out loud
Holy crap I'm 40 my hair is falling out
I'm finding wrinkles in the mirror my Dad's laughing now

Can't believe I'm 40
Hard to believe I'm 40
