IN THE TIME THAT MATTERS

Closed Eyelids

I stare up through closed eyelids
Wondering if you're looking down at me
You caress and work my skin
Slightly more than professionally

In my mind you will find
These thoughts are trying to hide
There are things you could do
To turn this table on for two
Turn it on for two

You grin through closed eyelids
Naked except for one old patient sheet
I slyly rub your skin
Your will is stretching vulnerably

Your smile is living proof
My touch not enough for you
There are things I want you to do
To turn this table on for two
Turn it on for two
Do those things you do

Lower yourself down gently
Put your arms around me
And we'll kiss

With closed eyelids
Oh we will kiss
Closed eyelids
Oh we will kiss
With closed eyelids
Oh Ooh we will kiss
with closed eyelids
