### **Freedom Blues**

See that dead branch hangin high  
That's me  
I'm just waitin for the tree to die  
And set me free

See that dark cloud driftin air  
That's me  
I'm just waitin for the sky to clear  
So I can see (And set me free)

Solo

See that devil in that glass  
That's me  
I'm just waitin for someone to kick his ass  
Its gotta be Me

See that dead bug on the bottom of my shoe  
That's me  
I'm just waitin for the world to scrape me through  
And just let me... bleed

Set me free  
Set me free
