Hidden

Within this candle light
Are words I cannot find
My heart won't let me write
At this time

She's hidden in my heart
In love at the wrong time
Where secrets sometimes fall apart
I'll hide her in my heart not my eyes
She'll hide

I'll let this candle die
Find a brand new light
I wish my heart would lie
One time

She's hidden in my heart
In love at the wrong time
Where secrets always fall apart
I'll hide her in my heart not my eyes
She'll hide (sometimes)

She's hidden in my heart
Where all my secrets fall apart

She's hidden in my heart
In love at the wrong time
Where secrets always fall apart
I'll hide her in my heart not my eyes
She'll hide sometimes
She'll hide
Sometimes
