### **In The Time That Matters**

I'll sing you songs forever  
While you smile back to me  
I'll hold you close and whisper  
Thank You for loving ME

In the time that matters  
You know what to say  
Within you there's an answer  
While our hearts are young and brave

I'll write you word reminders  
Of how our Love began  
All the memories behind us  
All the good times that we had

In the time that matters  
You know what to say  
Let me know the answer  
While our hearts are young and brave  
While our hearts are young and brave

Wishes never matter  
When time takes them away  
Say yes when I ask you  
Will you spend your life with me

In the time that matters (Be my Love)  
You know what to say (Be my Love)  
Let me know the answer  
While our hearts are young and brave

(Be my Love) In the time that matters  
(Be my Love) You'll know what to say  
(Be my Love) Within you there's an answer  
While our hearts are young and brave
