Like A Stone

Strive to be sand
A little for everyone
Fall through their hands
I'm brittle but I like the way they rub

Inside my life's a heart of gold
I shine by the wayside, never known
Surrounded by others, always alone
Picked up, admired, never thrown
I'm like a stone

Time layered age
Story in every line
Your life's on display
Stepped on too many times

Inside my life's a heart of gold
I shine by the wayside, never known
Surrounded by others, always alone
Picked up, admired, never thrown
I'm like a stone

(Hi Yah Yah Yah, Yah Yah)

(I'm like a stone)
Inside my life's a heart of gold
(Waiting to be thrown)
I shine by the wayside, never known
(Out there alone)
Surrounded by others, always alone
(I'm like a stone)
Picked up, admired, never thrown
I'm like a stone
I'm like a stone
