ONLY IF YOU'RE LISTENING

Song lyrics in PDF format for print / download

Only If You're Listening

Know that I will cry at night
Only If you're listening
Lonely that I am tonight
I know that you don't miss me

I'll hold the air you used to be
Only if you're watching
The cold lack of sympathy
Holds my hand and haunts me

I will wait will you
I will wait will you

Thought our hearts were satisfied
Only yours was breaking
The lonely eyes of sacrifice
Know that you still hate me

I will wait will you
I will wait will you...will you

Know that I will cry at night
Only if you're listening
Lonely that I am tonight
I know that you don't miss me
Lonely I will cry tonight
And hope
You might
Miss me
