Song lyrics in PDF format for print / download

Your Mind Is White

Your blank eyes stare right through me
A million questions try my mind
The cloud your on is so confusing
Your explanations leave me blind

I cant read you
Your mind is white

I watch the steam escape your coffee
There's trouble brewing dead ahead
Mood swings have always kicked me
Off my ass and out of bed

I cant read you
Your mind is white

Please tell me where I can find
The real story inside your life

You're like a series of scary stories
Monsters and verbal shhhhhhit
Mood swings are Steven king gory
Something creepy ate the print

I cant read you
Your mind is white
I cant read you
Your mind is white
I cant read you
Your mind is white
Your mind is white
