My Song

This is a song about me
41 sunsets on a cosmic scale
Ask me if a day didn't bleed
I'll show you my scars and I'll sing you my tales

There used to be so much time
Open mind clear bright eyes
Dirty boots on a well worn trail
Still lead me down to my Holy Grail

I walk these days alone
Its bitter sweet no love at home
She's been out there once or twice
I'm still looking for my perfect wife
And compliment my life

Is there something cursing me
I'm the everything guy for a girl with needs
Will my heart die for all its sins
Will it wither away like its never been
And one day I will die

As these drinks are raised will they honor my life
Will they cheer my name
Will all the smiles I made and the laughs I gave be my legacy
On my final day
And all who loved and all who came will watch my ashes drift away
A brand new trail....To my Holy Grail

This is a song about me
A brand new song on a heavenly scale
At least I hope so
Alive in this new light
Weightless worry free
A brand new Me .. A brand new me.. A brand new Me
