IN THE TIME THAT MATTERS

Song lyrics in PDF format for print / download

Its Over

Every time you disappear from me
Another heartache tries to die
So many vivid memories
You'll live a lifetime in my mind

If its really over
Let me know the truth
If it's really over
I won't be back for you
I know for sure
This last goodbyeis mine

Broke up with me just like this before
The second time you even cried
Threw my heart out the door
Left the rest of me behind

Chorus

So cry (cry cry cry)

Now that its over
This time I know it's true
Now that its over
I'm not coming back for you
Its over.....Its really over
I know for sure
This last goodbye
Is mine Goodbye
