Ripe

Words colorful
Words don't always belong
Words playful
Underneath the soul becomes a song

You belong in my life
You are ripe for the ride
You belong in my life
You are ripe for the ride

Words weaving
Words dance on a note
Words teasing
A heartbeat that never lets go

You belong in my life
You are ripe for the ride
You belong in my life
You are ripe for the ride

Dormant not dead
Distant unsaid
A whisper awakens
And soars alive with the wind

You belong in my life
You are ripe for the ride
You belong in my life
You are ripe for the ride

You belong in my life
You are ripe for the ride
You belong in my life
You are ripe for the ride
