Sorry

I'm in a brunette colored cloud I call Trouble
Once again I'm standing in the dark
Was it something I said or did or thought
Was it all the little things that I'm not

I'm in a bruising verbal fight with her double
I never know which one that she is
Always something she said or did or forgot
How did I end up with such a Bitch (And I'm the tough guy)

So why do I say "Sorry"
I'm Sorry

I'm a relationship rock n roll rebel
She's a psychotic leather groupie gone wrong
The dumb things that she says or wears or does
If I had any balls I'd move on (I'd move on)

But I stay and say "Sorry"
I'm Sorry

In every fight
She's always right
She'll change my mind
A two word lie (A two word lie)

I'm Sorry I'm Sorry

In every fight
She's always right
She'll change my mind
A two word lie (A two word lie)

Sorry... A two world lieSorry
