### The Hit That Got Away

Woke up with a big hit on my mind  
Been a while since any song would bite  
I'm trollin... they like to hide  
A hit like this is getting hard to find

The biggest rhyme and harmony  
Mother of all melodies  
Master of simplicity  
Slipped away from me

Almost had my trophy hit today  
Jiggled all the lines that came my way  
Swimmin toward my hook and only played  
Nibbled on my brain and swam away

A better rhyme and harmony  
Awesome stellar melody  
Nashville way a single ought to be  
Slipped away from me

Slipped away from me  
Songs are slippery

The biggest rhyme and harmony  
Monumental melody  
Billboard way a single ought to be  
Slipped away from me

Woke up with a stiff hit yesterday  
Nibbled on my brain but wouldn't stay  
A number one hit I let get away  
A number one hit I let get away  
A number one hit I let get away  
A number one hit ...got away  
True story!
