Long Time Love Affair With Beer

Gary Procyshyn 2012

Song lyrics in PDF format for print / download

Its Over

I've had a long time love affair with beer 2x
I want less and she wants more
We always disagree
I wish beer would start hating me

It was love at first sip
So sexy when she's cold
Felt so good against my lips
Swore I'd never let her go

Chorus

So many beers have come and gone
My belly might explode
She's a two-four of love in my fridge
I'm never alone

I've had a long time love affair with beer 2x
When I fall down she picks me off the floor
I just want her out the door
I wish beer would start hating me

I've had a long time love affair with beer 2x
I want out and she won't leave
Oh just let me be
I wish beer would start hating me

We hold each other on the couch
While all my friends are going out

I've had a long time love affair with beer 2x
I grew up and she grew old
Now I'm free
No more beer for me, No more beer for me
Think I'll pour a double scotch and watch TV
