Wither

Skinny chalk outline ghost of a life
She pumped me full of dread too many times
I don't know
Why I run away down the block and then I crawl back home

Fear, Fear is such a scary word
Love, Love is so much scarier
So why am I so scared of her

Is there anything in my head left of mine
Foot inside my mouth each time we fight
Wave my white flag
Splattered down left for dead and she just stopped to nag

Fear, Fear is such a lonely word
Love, Love is so much lonelier
So why am I so lonely with her

Why my wither
So why my wither, So why my wither
So why, So why

Fear, Fear is such an empty word
Love, Love is so much emptier
And we tried

CH 2x

Fear, Fear is such a scary word
Love, Love is so much scarier
And we tried
There's no hope left in sight (F**k her!)
